daily*

**215 Browns Gulch Road Kalispell, MT 59901**

### WHAT YOU WILL LEARN ABOUT:

- ✓ **HEALTHY SOILS = HEALTHY BODIES:** Avoiding glyphosate - Creating and building healthy soil biology & its affect on our health and biome
- ✓ **LAKES & FISH PONDS:** Natural Lake and Pond building with no artificial liner (we will actually be building a natural fish pond at this event!)
- ✓ **TERRACES:** Creating productive organic vegetable beds and orchards on Mountain & Hillside Terraces (We will also build a fruit tree, berry bush & vegetable terrace at the event)
- ✓ **SPRINGS:** Finding and encasing natural water springs for natural water use on the farm or homestead
- ✓ **HUGELKULTUR & HUGELBEDS:** Building Hugelbeds for intensive production & soil creation *with little or no added irrigation*
- ✓ **ORCHARDS:** Creating a Permaculture Orchard that is productive, self-sustaining and disease-resilient
- ✓ **PERENNIAL GRAINS:** Sepp Holzer's perennial grain as a potential alternative to large annual grain monocultures
- ✓ **FIRE SUPPRESSION & FIRE-PROOFING YOUR LAND:** Fire suppression & Protection with permaculture techniques; A case study of the recent CA wildfires & how Judith's work helped save a Malibu, CA home & Farm from complete destruction!
